THE CHILD IN ME!

The Sun just set,
to never rise again
The child is dead
Hiding all the pain.

The last ray went
No signal of it
None realized, it was
the last time it hit!

The jokes to laugh
have now turned cringe
Even an hour ain't mine
Forget All day binge!

The fading light
The narrowing sky
He's afraid to walk
Who once dreamt to fly

The real smile
The giggles of glee

Silence overpowered like
the deep calm sea

The darkest mirage
The sky turns Grey
The black storm clouds
The fear to fail.

Nostalgia in the frames
Placed in those shelves
The days will come back
We'll smile to ourselves

The child every morning
waits for the light
To escape the fake me
He continues to fight.

The hope still lives
Spark in the eyes
He takes a step forward
& the fear dies

Human Paradox

*Within this framework of bone and pulsing vein,
Two spirits live in cramped, crowded space;
One strives for the high peak of crystal heaven,
While the other prefers the earth's embracing dust.
We are the hands that heal the broken wing,
And yet the heart that holds its secret pride;
The voice that challenges the morning stars to sing,
While dark and lonely shadows reside inside.
No saint has any hint of grit within,
No wretch has gold of light that can be seen;
The candle and the wick are closely joined,
To burn a pathway through the dark, cold night.
Forgive the war that rages in your heart,
For in this conflict, human love is blessed.*

प्रकृति और हम

धरती माँ गोद में,
पलता सारा संसार।
पेड़ -पौधे, नदी, पहाड़,
देते जीवन को आधार।
नदियाँ देतीं निर्मल जल,
सूरज देता उजियारा।
हवा चल कर जीवन को,
प्रकृति करती निहाल।
लेकिन मानव भूल गया है,
प्रकृति का उपकार।
काट रहा जंगल, फैला रहा,
धरती पर अंधकार।
अब भी समय है जागो तुम,
प्रकृति से नाता जोड़ो।
पेड़ लगाओ जल बचाओ,
धरती का मन न तोड़ो।

धरती की पुकार

धरती की पुकार
पेड़ हमसे कहते हैं,
हमें बचा लो आज।
हवा भी धीरे बहकर
देती यही संदेश।
नदियाँ साफ रहें तो
जीवन मुस्कुराए,
धरती खुश हो जाती है
जब हम उसका ध्यान रखते।
आओ मिलकर वादा करें,
प्रकृतिको सँवारेगे।
पेड़ लगाएँ जल बचाएँ
धरती को मुस्काएँगे।

About me

MY 10-YEAR-OLD SELF WOULD PROBABLY FIND IT HARD TO BELIEVE WHERE LIFE HAS BROUGHT ME TODAY. AT 27, BEING A QUALIFIED CHARTERED ACCOUNTANT, WITH OVER FOUR YEARS OF PROFESSIONAL EXPERIENCE, HAVING GAINED VALUABLE EXPOSURE AT ERNST & YOUNG, AND NOW RUNNING MY OWN PRACTICE FIRM, FEELS NOTHING SHORT OF A DREAM TURNING INTO REALITY.

My Journey

- * AADHARSHILA VIDYAPEETH
- * SCHOOL OF OPEN LEARNING
- * CHARTERED ACCOUNTANT
- * ERNST & YOUNG
- * ACA & MY OWN OFFICE

AAKARSH SINGHAL

27 YEARS OLD

BUT EVERY JOURNEY HAS A BEGINNING. THEY SAY A BUILDING CAN ONLY STAND TALL WHEN ITS FOUNDATION IS STRONG. FOR ME, THAT FOUNDATION WAS BUILT AT AADHARSHILA VIDYAPEETH. IT WAS HERE THAT I LEARNED SOME OF LIFE'S MOST VALUABLE LESSONS — HARD WORK, RESILIENCE, DISCIPLINE, AND DETERMINATION.

AFTER COMPLETING MY SCHOOLING THERE, THE JOURNEY CONTINUED WITH GRADUATION FROM SCHOOL OF OPEN LEARNING, WHILE SIMULTANEOUSLY PURSUING THE CHALLENGING PATH OF CHARTERED ACCOUNTANCY. BALANCING STUDIES, ARTICLESHIP, AND PROFESSIONAL RESPONSIBILITIES WASN'T ALWAYS EASY, BUT EVERY CHALLENGE BECAME A STEPPING STONE. EACH LATE NIGHT, EACH SETBACK, AND EACH SMALL VICTORY SLOWLY SHAPED THE PERSON AND PROFESSIONAL I AM TODAY.

My motto: ✨

"NEVER STOP DREAMING. BECAUSE SOMETIMES, THE DREAMS YOU QUIETLY HOLD ON TO BECOME THE LIFE YOU ONE DAY PROUDLY LIVE."

QUOTE

"Not every journey is loud — some are built quietly, with consistency, focus, and the courage to keep going."

CAREER SNAPSHOT

- From Aadharshila Vidyapeeth to the corporate corridors of KPMG, my path has been shaped by discipline and steady progress. School was more than just academics — it was where I learned the importance of commitment, time management, and believing in my abilities.
- Post school, I pursued my graduation from the School of Open Learning while simultaneously preparing for Chartered Accountancy. The journey demanded focus, patience, and the ability to manage multiple responsibilities at once. There were moments of doubt, long hours of study, and phases where progress felt slow — but each experience contributed to building resilience and clarity.

AWARDS

- Starting my professional journey with KPMG opened doors to a dynamic and demanding environment. Working in the Transfer Pricing domain has been a continuous learning experience — one that demands precision, analytical thinking, and a strong sense of responsibility.
- Today, as an Assistant Manager, I carry forward those lessons every day — constantly learning, evolving, and pushing myself to do better.
